

# Go figure

March 2009

By Tom Peters

The girl gets sick and has to stay home with Dad....

Ha....

Party time as the way we see it...

Dose of Sesame Street...Shriek....breakfast...medicine..

Before you know it....well...after leg burning 'horsy' rides

knee threatening 'on-all-fours' horsy rides.....

A quiet nap....how sweet for both of us....

Oh darn I have to be quiet....

It's heavenly.....

Had a chance to do this little piece...

Lounge on the balcony.....the sweet life indeed
