

Unseen

by Tom Peters

August 2021

At twenty-five, Thirty-two
Forty-four, Sixty-one
Unseen at seventy-two
You've been there
Last picked for pick-up baseball
Given a wrong phone number
In a loud, festive party
Feeling alone
You haven't?
Really...
OK...many of you have been there
Some of you have been there?
Come on...don't look at me like that
Really...
You do see me...right?
Of course
Just checking
